This collection includes accounts ledgers, auditor's reports, information on bequest and real estate, and information on the construction and furnishing of buildings and laboratories. Of special interest is correspondence between Charles Bulfinch and the Board of Trustees relating to the financial arrangements for the construction of the Bulfinch Building (box 1, folder 10). The collection also includes receipts for supplies, records of wages paid to MGH employees, information relating to insurance policies and loan agreements, the original subscriptions (donations) to MGH, tax bills, and investment records. For more information on buildings, see also **MGH. Planning and Construction Department, Records, 1812-1973.**
