Related Collections Note:

Researchers should also consult the closely related files contained in AC28, MGH Archives and Special Collections; Subjects Files; and Biographical Files.

Scope and Contents Note:

The MGH Public Affairs Departments answers questions from the press and television and newspaper coverage of MGH events and news stories. The files in this collection consist of clippings about MGH in the news, press releases prepared by the department for distribution to the media, photographic slides and negatives produced or kept on file by the Public Affairs Office (mostly dating from the 1990s), and newsletters and other publications issued by the Office of Public Affairs. The bulk of the collection consists of materials compiled and organized by year. A smaller part of the collection contains files compiled and organized by subject. Of special interest is an assortment of clippings, brochures, and ephemera pertaining to the MGH's 150th Anniversary celebration, 1959-1961.
