The Medical Board, also known as the Board of Visiting Physicians and Surgeons, consists of the Board of Visiting Physicians and the Board of Visiting Surgeons. The three volumes entitled, "Medical Board Minutes" comprise the minutes of the Medical Board (Physicians and Surgeons) and also the minutes of the meetings of the Visiting Surgeons, 1824-1897. After 1897, the minutes of the meetings of the Visiting Surgeons are recorded separately. Correspondence consists of letters and notices received or written by the Medical Board as a whole or by either the Board of Visiting Physicians or the Board of Visiting Surgeons.

Also included is an account book of the Junior Medical Board.
