

AC 34

Massachusetts General Hospital.

Planning and Construction Department.

Records, n.d., 1812-1793.

3 manuscript boxes

1 bankers box

1 storage tube

Processed: December 1995

By: Abigail Schoolman

The collection includes financial records relating to the construction and maintenance of buildings and wards at MGH, and records relating to the site of MGH. Of particular interest are the records relating to choosing the site and constructing the Bulfinch Building. For further financial information relating to MGH buildings, see also **Department of Fiscal Affairs, Records, 1811-1973.**

<u>Box</u>	<u>Folder</u>
