

**Paul Dudley White, MD
Papers, n.d.**

MC 12

0.67 c.f. in 1 container
(1 artifact box)
Accession Number 2006-16

Processed: 2006
By Jeff Mifflin

Acquisition: The papers were left by Edward F. Bland, MD, in the custody of Guillermo Sanchez, MD, who in turn entrusted them to Peter Yurchak, MD. Dr. Yurchak transferred custody of the material to the MGH Archives and Special Collections on June 29, 2006.

Access: Portions of the collection may be subject to restricted access because of patient confidentiality. Consult the Archivist for further information.

Copyright: Requests to publish materials from the collection should be directed to the Archivist.

Processing Note:

Materials received from Peter Yurchak have been separated into categories during processing, as follows: Teaching slides prepared and used by Paul Dudley White are now MC 12, Papers of Paul Dudley White, MD, in the MGH Archives and Special Collections. A signed and inscribed mezzotint of Paul Dudley White has been added to the MGH Portraits Files in the MGH Archives and Special Collections. Official records of the MGH Cardiology Division, and related departmental, laboratory, and clinical materials, including patient records such as ECGs, have been moved to AC 47, Records of the MGH Cardiology Division, in the MGH Archives and Special Collections. Personal papers of Edward F. Bland, MD, are now MC11

List:

b.1

Teaching slides (35 mm) compiled and used by Paul Dudley White, MD, n.d.
[A partial list of slides, apparently created by Dr. White or his assistant, is included.]
