She left the MGH in 1926 to work at the Shriner’s Hospital in Springfield, Mass. She later worked as an operating room supervisor at St. John’s Riverside Hospital in Yonkers, New York. She died in 1978.

This collection consists primarily of a photocopied autograph book from the time of Eva Hutchinson’s departure from the MGH in 1926. Also included is a photograph of her taken at St. John’s Riverside Hospital in Yonkers, New York, and a photograph of an unidentified nurse (presumably one of her friends).
