Scope and Contents Note:

The bulk of this collection consists of scrapbooks compiled by the Public Affairs and Community Relations departments. Also included are the News Office records relating to the military experiences of MGH employees and alumni during World War II, publications about MGH published by MGH and outside organizations, and photograph card file. The scrapbooks comprise materials relating to MGH, including programs from the Nurses' Training School graduation ceremonies, staff handbooks, and initiations to MGH events.

Related Collections Note:

Researchers should also consult a closely related group of records, AC5 at the MGH Archives and Special Collections.
